
Weddings

For one of the most important days of your life, it pays to hire experience. We go through an entire check list written specifically for your day to make sure everything is ready and in place. We know how to work together with the caterer, venue, florist, photographer, video production, lighting and anyone else involved to bring them all together as a team so that everybody knows what the other is doing therefore making your wedding an outstanding success. Together we can create a wedding day to match your own personality and taste. From the cocktail hour to the grand entrance, all the way to the finale' and with all the specialty dances in between, your guest will feel welcome and be musically entertained.
